## Shirley Mason Ex '45 Places in Art Contest

### Mrs. Mott Dies In Calif.

Miss Eleanor Mott, professor of English, left her college duties for ten days to go to her home in California because of the death of her mother. Dr. J. N. Hook, assistant professor of English, is taking over her 200-A English class. Miss Minnie B. Follet, associate professor of education, is taking over her other classes, English 227 and English 325.

Shirley Mason, ex '45, recently placed two of three water colors entered in the Society of Liberal Arts six-state exhibit at the Joslyn Memorial gallery in Omaha, Nebraska.

Shirley was the youngest artist to enter her work. The two water colors winning recognition were *The Wash and Impression of Port Arthur*, one of these being an abstract done in Miss Conkling's art class.

Leaving State during the 1943-44 academic year because of her health, she moved to Omaha, where she is now teaching art in a small church school.

In a recent letter to Miss Schwartz and Miss Conkling she tells of her work. She has five classes a day and an adult art class one evening a week.

Shirley came to Mankato State from the Dodge Center high school, where she had her first art instruction from Wylene Fredrickson, former State student. While at Mankato she majored in art and English.

### Homecoming Election Thursday

With the election of the five candidates for Homecoming Princess to be held next Thursday, the Mankato State Homecoming for '44-'45 will get under way. Plans for this homecoming are in the hands of Dean Maurice J. Nelson and Howard Hathaway.

The Homecoming date has been tentatively set for January 12 when Macalester meets the Peds here, but the date may be changed to January 26 or 27 if a game is scheduled for one of those two nights.

Though there are no set requirements for the candidates it is well to keep in mind that beauty, intelligence, personality, and popularity among both students and faculty are factors that count.

Committee chairmen have been chosen and they will select the other members of the committee together with the two advisers. The chairmen are as follows: Dance and orchestra, David Swift; Alumni, Jane Ann Roberts; Coronation program and game, Lee Ball and Dick Knudson; Publicity, Frank Willette; Finance, Willetta Brown; and Decorations, Lyle Story.

Despite the handicaps that confront a wartime homecoming the chairmen are planning to have another successful homecoming. Hopes are being held out that a large, well-known orchestra may be obtained for the dance. Each student may bring a guest from out of the school to the dance.

### Tau Gamma To Have Party

The Christmas party for Tau Gamma (Town Girls) will be held December 19 at 4:15 in the lounge.

There will be a skit based on the *Night Before Christmas*, and the exchanging of ten cent gifts.

Donna Charles, chairman of Zone IV, is in charge of general arrangements.
